Let's try pushing baby out... \*Again, I didn't mean to make it public, but God works in mysterious ways\* I'll keep updating this as I walk through this CPS crap and how they illegally kidnapped my baby less than 48 hours of him being born, without a warrant or a court order.

No drugs in baby or mother. Placenta was also mishandled. I am planning a lawsuit. You can pm me if you would like to help or need help in how to deal with CPS chicken heads.

**Carl Bowman** 0:00 I got here through a link on a news site. Pardon my intrusion but after reading CPS took your baby I stayed to watch the film clip until the end. The CPS people are idiots. They ignore a situation when a child is in danger and ignore it when they aren't. There was nothing vulgar or rude in your video. It was beautiful. If you need help with a defense fund let me know and I will put some together.

I'm Polynesian... to think we didn't have midwives and waterbirths before people were colonizing our islands is an understatement. And in our culture we used to really celebrate birth, as a thing of the community... those that are cultureless shove their privacy policies down our throats without acknowledging who we are. The pacific islanders. The ones America stole hawaii from, and colonized it to wage wars and scam our polynesian people with tourism, fill our lands with jobs of wind chasing, when our lands have always been self sustaining... now we have hotels covering hawaii and a bunch of people saying aloha throwing trash everywhere raising prices on the native island man...

**Fakamalo Kihe Eiki** 0:00 what I know is that I am well rooted... I am so well rooted in the love of Christ that even when I hug my mom, I feel my grandmother, my grandfather, my great uncles and aunts and her brother my uncle... what I can see is a lot of people can preach but very few can walk with the spirit and there is a different work for everyone and we can see where Jesus walked he walked on water and he walked amongst the Council of anybody and stood firm unwavering and perfect...

If we are to be like Christ... you boldly go 2 or more wherever you are gathered IN JESUS NAME GOD IS WITH YOU....

AND I ALWAYS AM 2 OR MORE DEEP WALKING AND PROCLAIMING BOLDLY WHAT MY CHRIST'S SACRIFICE HAS MEANT TO ME

And to me it soothes me because not everyone dreams and not everyone can say their dreams and visions come true. ...

So it's encouraging for me to see God's hands in my life. ..and that my grandma and many people's blessings are upon me. ... and I own that .. something nobody can ever take away from me
